

Atam Academy's Extended learning Programme

Atam Academy is a brand new school in Little Heath. We think it is important to develop strong relationships with our local community, providing everyone with the opportunity to share our new state-of-the-art facilities, complete with the latest technology, first-class sports facilities and contemporary learning classrooms, as well as gain an insight into the unique education that students will receive at Atam.

As part of the Khalsa Academies Trust (KAT), Atam has access to experienced subject specialists from across our successful schools; we are keen to share their skills and expertise with all of our local primary schools to enhance the excellent education pupils are already receiving and help support the transition from primary to secondary school.

We want to develop an exciting and engaging programme that benefits all young people. Overleaf is an outline of what we currently offer, however, if there is anything else you would like to suggest or discuss, please do not hesitate to get in touch.

We are very much looking forward to working in partnership in the near future.

ATAM
ACADEMY
Together as one

WHAT CAN WE OFFER YOU?

Choose from a range of activities, workshops and masterclasses devised and delivered by KAT staff and students throughout the academic year, either at your school or at Atam Academy.

Maths Masterclass

Looking for extra support for your Year 5/6 pupils? KAT's students and Maths teachers can provide SATs booster classes or Maths Masterclass workshops.

Travelling MFL Roadshow

Experience cultural language taster sessions in French, Spanish or Mandarin run by KAT's specialist teacher.

Young Enterprise

Empower your pupils to harness their personal and business skills. Working in teams with our Business Studies staff, pupils design a new product and pitch to a Dragons Den-style panel of adults.

G&T Challenge Days

Stretch and develop your most able pupils in a range of academic challenges throughout the day, including English, Maths, Science and IT.

Music taster session

We can provide exciting and entertaining music sessions where pupils will have the chance to create a masterpiece using different instruments.

Play in a Day

Our fantastic drama team can offer bespoke workshops, providing an opportunity for pupils to experiment with different forms of theatre in a collaborative environment.

Get Active Sessions

KAT's talented Sports Ambassadors will come in to coach pupils about a variety of different sporting activities.

Creative writing workshop

KAT's brilliant English students and teachers will come to your school and deliver a poetry or creative writing workshop to help develop your pupils' passion and mastery of the English language.

OUR FACILITIES AND RESOURCES

We are keen to share our facilities and resources with others, in specific ways that will support individual primary schools and the community. Please get in touch if you would like access to any of the following:

ICT

Our well-equipped ICT suite can be used to allow pupils to acquire the skills to use ICT effectively, confidently and safely.

Design technology

We can offer a range of well-equipped rooms to support the development of creative and design skills.

Sports Facilities

We have a number of high quality sports areas, including a sports hall, gymnasium, AstroTurf and hardcourt area, to develop your sporting talents.

Food Technology Room

Calling all 'MasterChef's' to develop your cookery skills in our amazing facilities.

Library

Our well-resourced library offers a great space to enjoy reading and carrying out research into a variety of topics that supports the learning in lessons.
