COVID Precautions:

It is important that you adhere to social distancing rules at all times. Please be aware that you may need to wait to speak to staff about options due to the volume of students who will require guidance. We endeavour to ensure the process is as seamless as possible but please bear with us.

If you or any of your family members are displaying any of the following symptoms, please contact us via email or telephone, to arrange alternative distribution of results.

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Due to the COVID pandemic, schools submitted grades to the exam boards, who then either accepted or adjusted the awarded grades accordingly. **Please note**, we will not be able to disclose whether the final grades awarded, match what the centre sent to the exam boards.

I would like to take this opportunity to wish you all the very best with your exam results and I look forward to seeing you on the day to discuss your future with my team and I.

Yours sincerely,

Mrs Anita K Notta
Principal
