Inspirational speakers from a variety of 21st century industries + lecturers from Russell Group universities

Personal growth

Quality education experiences

KSA Sixth Form will deliver a world-class education to our young people. Our 360° approach to education is built around our core values: Aspiration, Excellence, Integrity and Determination.

We will intrinsically motivate and inspire our students to be successful citizens of the future – fulfilling potential and achieving ambitions.

We offer the highest quality education through a varied range of academic and vocational courses, **personalised** support, small class sizes and will also be moving into a brand new, state-of-the-art facility* with sixth form specific classrooms, as well as communal and recreational spaces.

We have the highest **expectations** of each and every one of our sixth form students. You will have the opportunity to achieve outstanding academic outcomes as well as developing maturity, responsibility and leadership through our unique programmes.

We offer a bespoke approach to learning that enables every student to be successful, whatever their goals. We aim to offer the most diverse range of courses possible and we will work closely with you so you can progress to the next exciting chapter in your life – whether that is to university, college, an apprenticeship, employment or starting your own business. We do this by developing entrepreneurial life skills alongside academic excellence and a wide variety of enrichment opportunities, all tailored to provide you with the skills set to be successful in life and work.

Join our friendly, hard-working, committed sixth form where students have a spirit of adventure, where they embrace change, use their own initiative and are prepared to take risks: make contact with us now to reserve your place.

If your goal is to achieve academic excellence while building the character traits for a successful future, we are the sixth form for you.

Sulina Piesse, Principal

*Expected to be available from 2019

The small print

Being a sixth form student at KSA carries certain responsibilities. You will be regarded as a young adult, a senior student of the school, and we shall look to you to demonstrate maturity, responsibility and leadership:

1. We expect full attendance.
2. Although you will not wear school uniform, you will be expected to dress professionally.

3. We expect you to set standards of courtesy and behaviour which younger members of the school can follow and which will earn you respect.

There is limited government funding (normally £200 or £800 per year) to help with education-related costs if you're aged 16 to 19 and studying at school. This is called the 16-19 Bursary Fund and is dependent on parental income. Applications need to be made by the end of September in both Years 12 and 13.
