

"There are so many great opportunities at the school and I felt welcome right from the beginning."
Year 7 student

Welcome

I am incredibly proud that Ofsted recently rated us Outstanding in every category, highlighting the quality of teaching, students' behaviour and our relationship with parents, amongst other things.

Our all-through education provides opportunities beyond a typical secondary school to boost students' academic and personal development. We also utilise strategic partnerships to lead pioneering initiatives that embed ground-breaking and contemporary teaching methods and provide unique opportunities for every student.

We are an inclusive academy, utilising our Sikh ethos to provide everyone with a strong moral foundation and sense of community, but welcoming those of all faiths or none. I have witnessed first-hand the positive impact this has had on every student, whether a practising Sikh or not.

What's more, we have a new purpose-built, state-of-the-art school to provide students with an inspiring and unique learning environment, complete with the latest technology, bespoke sports facilities and contemporary learning classrooms.

Please join us at our open event series to meet the team and our students and see for yourself what an excellent education students receive at Atam.

Sulina Piesse, Executive Headteacher

Come and discover Atam Academy

Join us this autumn and uncover how Atam Academy will deliver an outstanding education your child.
