

10<sup>th</sup> June 2020

Dear Parents/ Carers,

I hope that you and your families are well and keeping safe.

I am writing to you in regards to the news that some of you may have seen on social media around the DfE's intent on passing Khalsa Secondary Academy (Stoke Poges – our sister school) to a new unnamed Trust. I would like to make it clear that the news we are referring to, **does not** affect our school; The Khalsa Academy Wolverhampton (TKAW).

The Khalsa Academies Trust have worked hard in order to strengthen Governance through the recruitment of new trustees from professional backgrounds (including Education). There has been an external review by The Confederation of School Trusts (CST) on governance, which was positive. A huge amount of progress has been made since KSA's (our sister school in Slough) last Ofsted visit in December, and they are well on their way to restoring the school's good fortunes, through the tangible progress that has been made and is continuing to be made.

I know that this may be unsettling news for you, however please know that it is "business as usual" for us at TKAW. I would like to reassure you that we are in a strong position at TKAW and our recent Ofsted visit (December 2019) cements the excellent work that we do as a school. This culture of excellence will continue, coupled with our Universal Sikh values and strong ethos that we drive at our school. Our pupils are at the heart of every decision, action and plans that we implement at TKAW and will continue to be the focus for us at our school. We are on a special journey to being an outstanding school and our current successes have shown that we are progressing toward achieving our goals and aspirations for both our pupils and school.

I would like to take this opportunity to thank you for your continue support and well wishes.

Kindest regards

Mrs Anita Kaur Notta  
Principal  
The Khalsa Academy Wolverhampton

The Khalsa Academy Wolverhampton  
Millfields Road,  
Wolverhampton
