WEEK COMMENCING 05/02/2018

Principal's Message...

Dear Parents,

Welcome to my weekly news blog. This will be my weekly update to you on what we have been up to during the week and any upcoming events. I am hoping that this format will improve communication with Parents and the School.

We have now completed two weeks of our new food menu in consultation with the Student Leadership Team. I have ask them to conduct a student survey, analyse and report back to me with their finding. We have had an active week where we have had outside visitors deliver outstanding workshops to students during our drop down day, trips and a new build site visit for staff. I am also holding a coffee/tea morning on Monday 12th February for year 9 parents. The SLT and I look forward to seeing you. Have a great weekend.
