

PRINCIPAL'S WEEKLY NEWS BLOG

WEEK COMMENCING 12/03/2018

Principal's Message...

Dear Parents/Carers,

In this edition of the weekly blog you will see what the staff and students have been doing over this past week. It has been a busy week with many educational visits and STEAM drop down day. STEAM is Science, Technology, Engineering, Arts and Maths. The vision for the school/ new build is Digital Technologies and STEAM, over the next few months you will be seeing lots of exciting events around the vision of the school. Below are some pictures of this weeks fabulous events. I will be sending out a letter next week with regards to staffing but would like to say at this point, it is typical in a school to see staff turn around, especially at this time of year. We have some excellent practitioners starting in September and a new Curriculum Leader in Science, starting after Easter. I hope you have an enjoyable weekend and I look forward to sharing more news with you in next weeks blog.

Mrs Anita Notta
Acting Principal
